Education

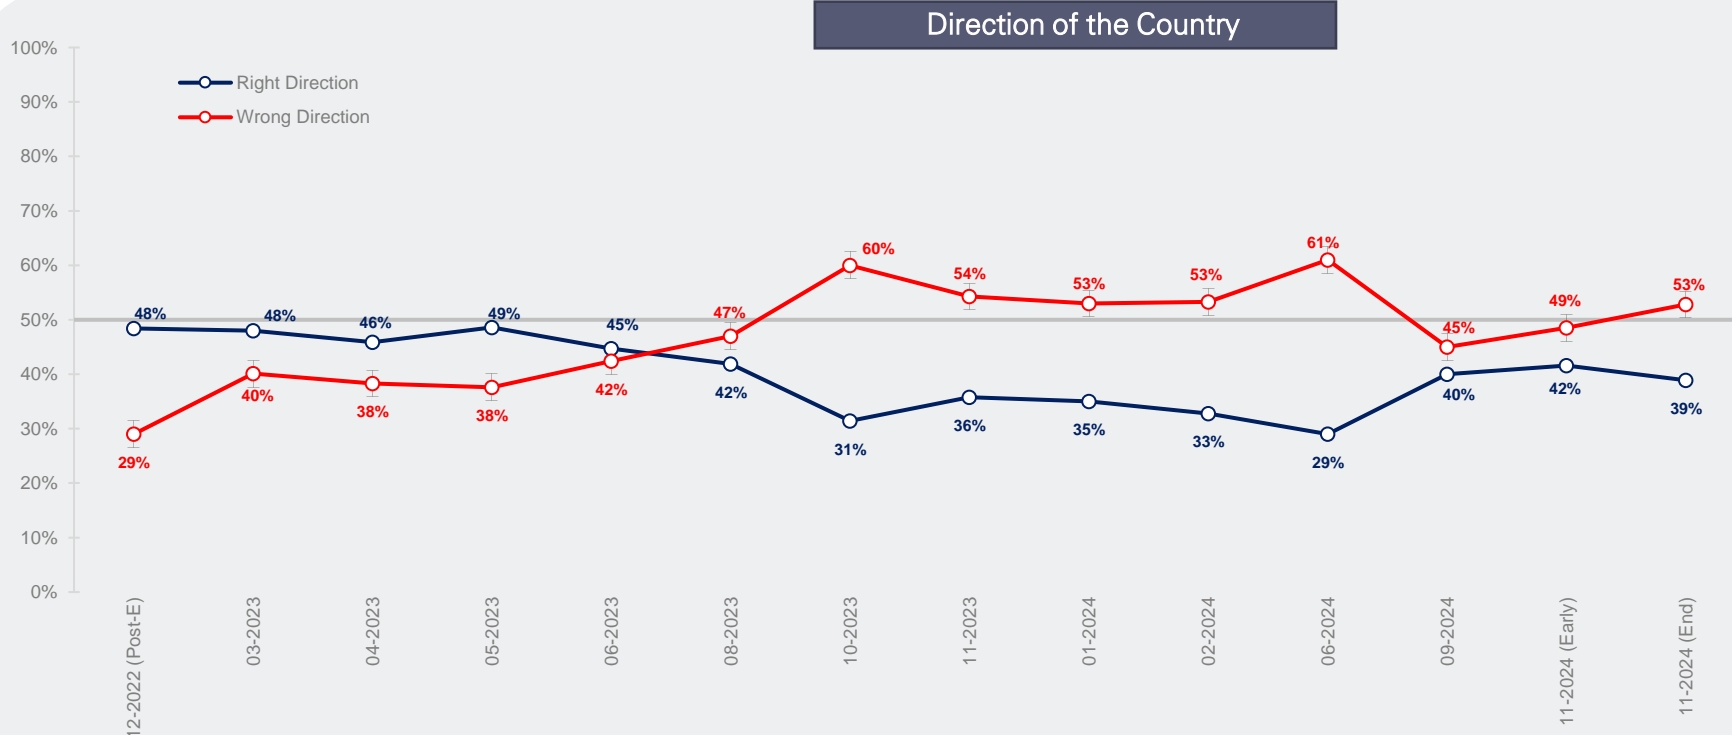

STR

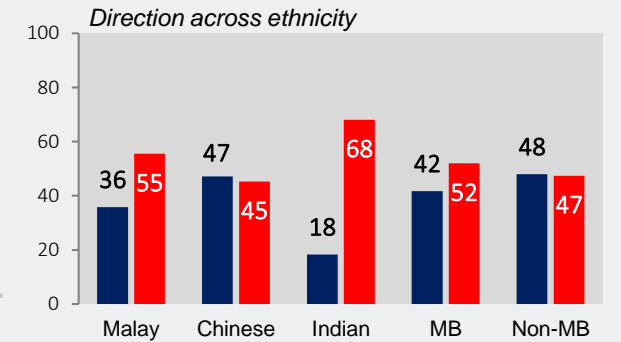

- 1,207 respondents aged 18 and above were interviewed via telephone (fixed and mobile lines)
- The survey respondents are from all states across Peninsular Malaysia includes Sabah and Sarawak
- Respondents were selected through random stratified sampling method along the lines of ethnicity, gender, age and states.
- All of the constituencies (14 states and across 222 parliament constituencies) were surveyed and the selection of the respondents is proportional with respect to the population in each parliament constituency.
- Respondents were interviewed in their own language of preferences
- Survey margin of error estimated at $\pm 2.82\%$
- The survey was conducted on 27th November – 10th December 2024.
